Angeles Pena, M.D., M.P.H.
Clinical Associate Professor
Pediatrics

Ishika Nandan Kukkala
158 NE 78th Ave
Hillsboro OR 97006
DOB: 3/3/2017

To the airline:

Ishika is a patient at OHSU. She tested positive for Covid-19 on 12/30/2021. Her parent reports that she has been asymptomatic for the last 4 days.

It is not recommended to re-test within 90 days of receiving a positive Covid-19 test. However, the CDC states that it is safe to travel 10 days after symptoms started, so long as the symptoms are improving. Therefore, Ishika may travel after January 9, 2022.

Sincerely,

Angeles Pena, M.D., M.P.H.
Doernbecher Pediatrics
